

We're hiring!

TERRESTRIAL AVIAN ECOLOGIST

Apply today

The School of Environmental and Forest Sciences (SEFS) at the University of Washington (UW) invites applications for a **full-time tenure-track Assistant Professor** working in the area of **Terrestrial Avian Ecology**.

We seek a faculty member whose research foci and approaches ideally include a substantial field component, are applicable to actionable science, and complement existing SEFS research strengths and visions. The applicant will contribute to teaching needs in the Environmental Science and Terrestrial Resource Management major - with emphasis on the undergraduate option in Wildlife Conservation - and graduate teaching.

Anticipated start: September 2025

Priority given to applications received before **October 31, 2024**.
Open until filled.
