

# Call for Presentations

13th Biennial Conference on University Education in Natural Resources

## **STRATEGIES - SHARING - SOLUTIONS** **The Changing Climate of Natural Resource Education**

*March 12-14, 2020, University of Montana, Missoula, MT*

***Join Us in Montana for BCUENR 2020!***

### Conference Theme

The BCUENR 2020 conference will consider the **changing climate of university education in natural resources**, with a focus on **sharing successful strategies and solutions**. We hope to solicit contributions on the topics listed below, but also welcome proposals for presentations on other topics of interest to university educators in natural resources.

Experiential and service learning  
Creating synergies of research and teaching  
Incorporating Traditional Ecological Knowledge  
Maintaining depth with expanding breadth

Online delivery of programs  
Climate literacy standards  
Enhancing diversity  
Keeping pace with technology

### Presentation Formats

Individual presentation: **20 minutes**, including time for discussion

Poster presentation: 36" by 48"

Panel or workshop: 1.5 hours in length

### Submission of Abstracts (due December 30, 2019)

- To submit an abstract, please follow the link below to the BCUENR2020 conference website.
- Please include the following information in your submission:
  - (1) Contact info of the Presenting author (Name, Email, and Affiliation)
  - (2) Type of presentation – **Individual oral presentation, Poster, Workshop, or Panel presentation**
  - (3) Title of the presentation
  - (4) Abstract of the presentation in **350 words** or less
  - (5) Up to 3 keywords
  - (6) Names and affiliations of all co-authors
  - (7) Brief description of the presentation within **50 words** (for conference program).
- Acceptance notices will be sent electronically to submitting authors by **Jan 15, 2020**.
